## UPCOMING EVENTS 2017

### IDF CONGRESS 2017

Dr. Sam Seidu (board member for research and chairman of the EASD-PCDE study group) will present during this conference.

His lecture will be about therapeutic inertia among real world population with T2DM from 2013-2016 (data from 33,203 across Europe and US).

You are invited to visit his lecture. More information will shortly be available on <https://conference.idf.org/cmPortal/Searchable/AD2017/config/normal#!sessionschedule>
